WUNDERKIND MGMT

ABOUT ME

21 Year Old Jessenth Ebenezer has spent the last three years reaping the rewards of nearly a decade of hard work and has quickly etched his name in history with his debut single going on to peak at #14 in the Global Viral 50 on Spotify, the first Indian to do so. The Someone Else project continues to evolve and take the world by storm with an expanding catalogue and an eclectic on stage persona in cultivation, with sets ranging from 120 to 200 BPM and bending genres and breaking all known boundaries in the EDM world and beyond.

3. Someone Else, Spectrums & Braveboy - Fresh Prince 85/100

This is certainly not the commonplace "Arabic" Trap song: a whole masterpiece that slowly elevates delivery by Braveboy. Vicious and vivid, his voice gets suddenly taken over by a Moomba-thon Hardstyle example of Innovation, as the artists have made me intrigued!
